Code of Conduct:

Parents/Carers and Visitors

At Hazel Slade Primary Academy we are very fortunate to have supportive and friendly parents. Our parents recognise that educating children is a process that involves partnership between home and school and understand the importance of a good working relationship to equip children with the necessary skills for adulthood.

For these reasons we welcome and encourage parents/carers to participate fully in the life of our school. The purpose of this policy is to provide a reminder to all parent and visitors to our school about expected conduct so that we can work together to ensure a safe and positive school environment for our children.

RESPECT AND CONCERN FOR OTHERS AND THEIR RIGHTS

We expect parents and carers to show respect and concern for others by:

- supporting the respectful ethos of our school by setting a good example in their own speech and behaviour towards all members of the school community;
- working together with teachers for the benefit of children. This includes approaching the school to resolve any issues of concern and to discuss and clarify specific events in order to bring about a positive solution;
- correcting own child's behaviour, especially in public on and around the school premises where it could otherwise lead to conflict, aggressive or unsafe behaviour;
- respecting the school environment, including keeping the school tidy by not littering.
- following the parking rules and doing the right thing when delivering and collecting children from school.

In order to support a peaceful and safe school environment for all, the school cannot and will not tolerate:

- disruptive behaviour which interferes with the school operation within the premises boundary.
- using loud and/or offensive language or displaying temper;
- threatening harm or the use of physical aggression towards anyone; another adult, parent, staff member or child. Some actions may constitute an assault with legal consequences.
- damaging or the destroying of any school property;
- abusive or threatening emails, phone or social network messages ;
- the postings of any information regarding out of school activities and events concerning the school;

- smoking, consumption of alcohol or other drugs on school premises;
- the bringing of animals onto the school premises;
- accessing the school site whilst intoxicated or under the influence of drugs.

The above behaviours on school premises will be reported to the appropriate authorities and Governors may prohibit an offending adult from entering the school grounds to safeguard our school community.

We trust that parents and carers will assist our school with the implementation of this policy and thank you for your continuing support.
