Pupils kept in consistent groups 2. Sports equipment thoroughly cleaned between each use by different individual groups 3. Contact sports avoided 4. Outdoor sports prioritised where possible 5. Large indoor spaces used where outdoor space is not available 6. Maximising distancing between pupils 7. Cleaning/disinfecting of indoor space regularly 8. Hand washing/sanitising before and after activity 9. Work with external coaches when safe to do so	Assessment to be read	All	Sept	2	4	MEDIUM

## RISK ASSESSMENT FORM - MANAGING HEALTH AND SAFETY

**The level of risk is calculated by:**

**The likelihood**

**x**

**The Consequence**

- 1- Very unlikely
- 2- Unlikely
- 3- Fairly likely
- 4- Likely
- 5- Very likely

- 1- Insignificant (no injury)
- 2- Minor (minor injury needing first aid)
- 3- Moderate (up to 3 days absence)
- 4- Major (more than 3 days absence)
- 5- Catastrophic (death)

**Risk rating:**

<b>1 – 4</b>	<b>Low</b> (acceptable)	No further action required
<b>5 – 9</b>	<b>Medium</b> (adequate)	If risk cannot be lowered any further, consider risk against benefit. Monitor and look to improve at next review
<b>10 – 16</b>	<b>High</b> (tolerable)	Identify further control measures to reduce risk rating. Seek further advice e.g. line manager, H&S team, etc.
<b>17 - 25</b>	<b>Very High</b> (unacceptable)	Do not undertake the activity. Implement immediate improvements
